

**ROSS SCHOOL
FINANCIAL ADVISORY COMMITTEE ROSTER
2017-2018**

Mission Statement

The primary purpose of the Financial Advisory Committee is to advise and be a resource to the Ross School Board, and by extension the Ross School Staff, on financial issues that impact, or may impact, the current and projected fiscal health of the Ross School. This includes a regular review of the Ross School Budget, any proposals or issues that might have a significant financial impact on the school, and special projects.

Parent and community members are selected and appointed by the Board and serve a three-year term. The Chairperson serves a 2-year term, which may be additional.

Meetings

Meetings are open to the public and held 4-6 times a year in the Conference Room.
